

Cemetery Committee Meeting Notes

August 20, 2024

Present: Barry Cohen, Carolyn Devlin, Brad Hart, and Mj Hochberg

Absent: N/A

The meeting was called to order at 10:05 am.

Minutes from the last meeting (April 26, 2024) must still be approved.

Mj will resend them to the committee with these notes.

Carolyn sent everyone a copy of a fence company proposal. A short discussion ensued.

The purpose of the meeting today was to discuss how we would approach the upcoming General Membership meeting on Sunday, August 25.

Barry C. stated that he had discussed this topic with RJC President Kathy Felder, and he outlined that discussion for us.

We discussed possible questions and answers and arrived at a unified approach.

The final plan is for President Kathy Felder to present a brief overview of the process followed to reach this proposal of Cemetery By-law changes, which the Board of Trustees unanimously supported. This will be followed by an overview from Barry C., offering more details and examples of the process we have gone through. Then, someone will make a motion, and if it is seconded, we will discuss questions with the members present. Hopefully, there will be the amount needed to conduct business in attendance. Barry C. says that 15 members are required. Mj H. will then answer questions from the members, with the committee members present to offer backup and support.

It was suggested that Mj H. provide a few copies of the new Rules and Regulations and a few copies of the draft of the proposed By-laws.

We briefly discussed the need for landscaping in the new section, especially in the front. It was decided that our next meeting would be held at the cemetery. Carolyn D. will send us date and time options as that worked well.

The meeting was adjourned at 11:50 pm.

Respectfully submitted

Mj Hochberg
