## The Board of Directors of the Rutland Jewish Center Cemetery May 2024 Report

As some of you may be aware, in addition to working on the recommendations for the updated fee schedule, the Cemetery Committee deemed it an opportune time to review and update the Rutland Jewish Cemetery (only) section of the By-Laws. We have just [thankfully] finished our arduous journey. We are ready to bring our recommendations to the Board of Directors for input into this process and possible membership vote at the June General Membership Meeting.

The committee has worked diligently for some time now, gathering information and meeting regularly to articulate what we feel are much-needed changes and amendments to those decade-old by-laws that reflect a more straightforward and more modern approach to by-laws. We have also created a New Rutland Jewish Cemetery Rules and Regulations document to make managing the Rutland Jewish Cemetery easier and to reflect moving forward with a more consistent policy.

We are happy to answer any questions you may have.

# The Board of Trustees of the Rutland Jewish Center Cemetery Committee August 2024 Report

The Cemetery Monthly Inspection report was sent to the RJC Secretary and is uploaded on the website.

The Board of Trustees presented the proposed Cemetery By-law amendment to the membership at the June General membership. The Special General membership to vote on the proposed By-law changes is set for Sunday, August 25 @ 10 AM.

The cemetery has had the usual summer activity: phone calls and cemetery visits for prospective plot sales. Several plots have been sold this month. One issue with Clifford Funeral Home was encountered and subsequently resolved. The cemetery committee, the President of the RJC, and the Rabbi were informed of the issue. If the Board wishes to discuss this, it should be done during the Executive Session.

Cemetery Committee Chair

# The Board of Trustees of the Rutland Jewish Center Cemetery Committee October 2024 Report

The Cemetery Monthly Inspection report was sent to the RJC Secretary and is uploaded on the website.

The Cemetery Committee met at the cemetery to discuss our fencing needs. The committee chose a fencing style like what is currently in front. The fencing will be in the front of the new section, connecting to the old section and leaving a space open at the beginning of the 'new' road. It will cost up to 5K.

We are also taking a proactive approach to the cemetery's aesthetics. This fall, we plan to do a little landscaping, adding a few trees closer to the front to block the airport view and planting plants in the front to match the older section and/or in the circle on the new road. We are requesting a budget of \$2500.00 to accomplish these items. We would love to have volunteers to assist with this. Please get in touch with me if you can help us.

The committee requests that the Board approve up to \$7500.00 to accomplish this.

There has been the usual summer season activity of phone calls, visits, questions, etc., regarding the cemetery. To date, we have sold thirteen plots this year.

# The Board of Trustees of the Rutland Jewish Center Cemetery Committee November 2024 Report

The Cemetery Monthly Inspection report was sent to the RJC Board Secretary and has been uploaded to the website.

The seasonal care of the cemetery has gone smoothly with the new vendor. I must check with the treasurer to see how much lawn care costs this season. However, I am not sure what adjustments could be made to lower those costs.

The Cemetery Committee has ordered the new fencing. While the chances of it being installed before winter are slim, it will likely be installed in March or April.

Carolyn Devlin took advantage of end-of-season sales and began landscaping in the circle, adding shrubs and plants. There is still room for additional annuals and perennials in the spring. We need some volunteers for this endeavor in the spring. Please let me know if you have a desire to garden for us.

The usual summer season activity of phone calls, visits, questions, etc., regarding the cemetery, with a slight uptick in activity this fall. We have sold thirteen plots to date this year. I have met with several individuals in the last two weeks, and our first cremation plot is being processed as I write this report.

# The Board of Trustees of the Rutland Jewish Center Cemetery Committee December 2024 Report

To date this year, the cemetery has sold Fourteen plots. I consistently report cemetery Plot sales in the Cemetery Board reports, but I was asked to make this more transparent. I hope this helps.

The Cemetery Monthly Inspection report was sent to the RJC Board Secretary and uploaded to the website.

The seasonal care of the cemetery has gone smoothly with the new vendor, and we have been delighted with how the cemetery looks. I still need the numbers from the treasurer to report how well we estimated the costs for this year.

The cemetery fencing has been ordered. The fencing will likely be installed in March or April when the snow melts and the ground unfreezes.

I hope everyone has seen the start of the landscaping in the circle that Carolyn Devlin undertook to plant for us; many thanks to her for her dedication. The cemetery committee needs volunteers for this spring's landscaping. Please let me know if you want to help us this Spring with this effort.

The summer and fall seasons have been as busy as they usually are. There are always inquiries, phone calls, visits, questions, etc., regarding the cemetery, with a slight uptick in activity this fall. I even received three calls while I was out of the country on vacation.

In the last month, I have spoken to seven individuals on the phone and met with three individuals at the cemetery regarding purchasing a cemetery plot. I have also sent several photos to individuals inquiring about available gravesites in the old section. Those sales are still being determined. I always apprise the Board when a sale is finalized.

I was also asked to provide more clarification regarding the office administration workload regarding the Cemetery Committee requests. The office administrator does not send Yahrzeit letters and email notifications for the Cemetery Committee. *Yahrzeit* letters and email notifications are done solely by the Rutland Jewish Center's office administrator to benefit the Rutland Jewish Center, not the Cemetery Committee. The RJC secretary/administrator has always had these items on their weekly task list after the *Rebbitzen* gave this job up in the early days of Rabbi Goldberg.

The only burden the Cemetery Committee or I place on the office administrator for the Cemetery is:

1-Notify me (the chair) of any donations for the cemetery and payments for any cemetery plots sold. The Cemetery Committee has no other way of being notified when someone has completed a sale, and I, as the chair, need to send the individual or family an **official** deed stating that they have indeed purchased burial rights to a specific cemetery plot in the Rutland Jewish Cemetery.

2. Forward any inquiries or questions regarding the cemetery to me or another committee member.

Respectfully Submitted, Mj Hochberg  
Cemetery Committee Chair
