

# The Board of Trustees of the Rutland Jewish Center Cemetery Committee November 2024 Report

The Cemetery Monthly Inspection report was sent to the RJC Board Secretary and has been uploaded to the website.

The seasonal care of the cemetery has gone smoothly with the new vendor. I must check with the treasurer to see how much lawn care costs this season. However, I am not sure what adjustments could be made to lower those costs.

The Cemetery Committee has ordered the new fencing. While the chances of it being installed before winter are slim, it will likely be installed in March or April.

Carolyn Devlin took advantage of end-of-season sales and began landscaping in the circle, adding shrubs and plants. There is still room for additional annuals and perennials in the spring. We need some volunteers for this endeavor in the spring. Please let me know if you have a desire to garden for us.

The usual summer season activity of phone calls, visits, questions, etc., regarding the cemetery, with a slight uptick in activity this fall. We have sold thirteen plots to date this year. I have met with several individuals in the last two weeks, and our first cremation plot is being processed as I write this report.

Respectfully Submitted, Mj Hochberg  
Cemetery Committee Chair
