

# The Board of Trustees of the Rutland Jewish Center Cemetery Committee October 2024 Report

The Cemetery Monthly Inspection report was sent to the RJC Secretary and is uploaded on the website.

The Cemetery Committee met at the cemetery to discuss our fencing needs. The committee chose a fencing style like what is currently in front. The fencing will be in the front of the new section, connecting to the old section and leaving a space open at the beginning of the 'new' road. It will cost up to 5K.

We are also taking a proactive approach to the cemetery's aesthetics. This fall, we plan to do a little landscaping, adding a few trees closer to the front to block the airport view and planting plants in the front to match the older section and/or in the circle on the new road. We are requesting a budget of \$2500.00 to accomplish these items. We would love to have volunteers to assist with this. Please get in touch with me if you can help us.

The committee requests that the Board approve up to \$7500.00 to accomplish this.

There has been the usual summer season activity of phone calls, visits, questions, etc., regarding the cemetery. To date, we have sold thirteen plots this year.

Respectfully Submitted, Mj Hochberg  
Cemetery Committee Chair
