

Ritual Committee Report June 14, 2020

The committee will be meeting soon to determine the schedule of services for the next six months. Cantor Sandy Horowitz has been retained to assist with the High Holiday Services this year. Shabbat services have been held via Zoom since March. There were two Bar Mitzvahs during this covid-19 isolation. Many thanks to Rabbi Ellie for her hard work in pulling them together during this time. It was great to see that the families were able to be together during these special events.
