

RJC Board Report

RJC Committee: Security

Date: 2/1/26

Date of Meeting: 1/5/26

Present: John Cohen, Lee Desantis, Larry Gold, Kathy Felder, Rabbi Woll, Tom Cohen

Kathy Felder Presentation – Kathy Felder presented the resources available to the synagogue to help us formulate a Security Protocol. We decided to pursue a meeting with Mark Atlee, the Combined Jewish Philanthropies (CJP) representative for Security. We reached out to Mark, and we have our first zoom meeting with him on Wednesday, Feb 4th at 7pm. We will report the results at the next board meeting.

CJP Safety Grant - \$1,200 - We have decided to spend the \$1,200 safety grant in the following ways:

1. Monitor upstairs with all camera angles from our current camera system.
2. Additional "Panic" buttons
3. Trauma and First Aid Kits

Additional Grants – We have been told that we have completed the paperwork for the previous grant, and are now capable to try for more grants. We will pursue this additional money.

Church Mutual Security Assessment – On Monday, January 12th, the Security Committee met to fill out the Church Mutual Security Assessment. Suffice to say we did not score well. Our score came out to the following comment: "Your organization's security program needs improvement. Action is needed to meet basic requirements."
