

Cemetery Committee Meeting Notes
September 23, 2024

Present: Barry Cohen, Carolyn Devlin, Brad Hart, and Mj Hochberg
Absent: N/A
Guest: Steven Hochberg

The meeting was called to order at 11:05 am at the Rutland Jewish Cemetery.

We still need to approve a few past meeting notes officially. I have attached them to this email.

We defined our goal regarding fencing. We came to a consensus that our goal was to mark the cemetery visually, but due to costs, we could not completely enclose it.

Carolyn brought several fencing quotes for our review. After much measuring and discussion, we decided on fencing like the one we currently have in the front. We will tie the two sections together with new fencing, leaving an opening at the fence. Carolyn spoke with the company and gave more precise measurements, and we got a working quote. An official quote is forthcoming.

We briefly discussed the need for landscaping in the new section, especially in the front, to block the unimpeded view of the airport.

It was decided to ask the Board of Trustees for authorization to spend up to \$7500.00 to purchase the fence and attend to some of the landscaping needs.

Barry, Brad, and Steven placed 'Private Property' signs on several trees and a post.

Mj and Brad inspected a few grave sites to determine if there were any potential issues. Brad will check into the casket dimensions and report back to us.

The meeting was unofficially adjourned at 12:30 pm.

Respectfully submitted
Mj Hochberg
